October 2020

Dear Parents,

As we come to the end of the first half term of the academic year, I would like to say a huge well done to the children who have settled into their new classes brilliantly, despite the change of routines that have been introduced this year. They, as ever, make coming to school an absolute joy. Their attitudes, effort and behaviour have been wonderful and they have made tremendous progress in only a short period of time.

I know that school is currently not running in the way that we are all used to, but the staff and I cannot thank you enough for your understanding and support of all the measures that we have had to introduce. It has really helped the new year to be as smooth and successful as it possibly can, whilst also helping to keep children, staff and families as safe and healthy as possible.

You should all receive your parents' evening times via Class Dojo today. Whilst we have tried to accommodate everyone's requests, where time slots are very busy, you may have a slightly earlier or later appointment time. If you cannot make the time or date of your appointment, please let your child's teacher know, via Dojo, straight after half term and a mutually convenient date and time will be agreed. Please note, teachers will not be responding to messages on Class Dojo during the half term break. Links to the Microsoft Teams meetings will be sent in the week before your appointment, with more instructions on how to access your meeting.

Timetables will be changing slightly after half term and this may affect the day that your child has PE. Please see the list below for the updated days. Please ensure children are dressed in warm clothes, suitable for outdoor PE and appropriate footwear. We ask that children do not wear football shirts please. Jewellery, including earrings, should not be worn to school at any time. Children are able to wear a wristwatch and jewellery with recognised religious significance. These should be taken off during PE. As the weather is becoming increasingly cold (and wet) please make sure children have a warm, waterproof in school for break and lunchtimes every day.

During these difficult times, please do not hesitate to contact the school if we can be of any help to you at all; all communications will be treated in the strictest of confidence.

Wishing all of our children and families a lovely half term break. We look forward to seeing all children back in school on Tuesday 3<sup>rd</sup> November.
