This half term we are thinking about...

Fairy Tales

**Early Years Topic
Booklet
Spring 2013**

Every half term the children in our Nursery and Reception classes develop their skills through our cross curricular topic.

This half term we will be learning all about...

fairy tales!

Fairy tales, though centuries old, still captivate the imaginations of children. Fables and tales contain important life lessons that go beyond 'happily ever after.' Dramatic play, reading, writing, expressive arts and games based on these stories can really benefit children by developing self esteem, language skills and creative thinking.

Through our play we will be exploring some of our favourite fairy tales;

Goldilocks and the Three Bears

The Frog Prince

The Gingerbread Man

Jack and the Beanstalk

Cinderella

We have planned our learning journey together, sharing our ideas about the exciting things that we would like to learn about.

We will be learning through the seven areas of our curriculum.

Personal, Social and Emotional Development

- ◇ Understanding feelings through fairy tale characters.

◇

Communication and Language

- ◇ Re-telling and sequencing stories through role-play.

◇

Physical Development

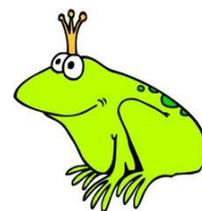

- ◇ Going on a bear hunt.

◇

Literacy

- ◇ Writing a letter from Goldilocks.
- ◇ Creating invitations for a 'grand ball'.
- ◇ Recalling the setting, main events and characters in a story.

◇

Mathematics

- ◇ Using non-standard measurements to find out who is as tall as a giant!

◇

Understanding The World

- ◇ Finding out about frogs.
- ◇ Problem solving - how can we help the Gingerbread Man across the river.

◇

Expressive Arts and Design

- ◇ Design and create a fairy tale puppet.

◇
