This half term we are thinking about...

Animals

**Early Years Topic
Booklet
Summer 2013**

Every half term the children in our Nursery and Reception classes develop their skills through our cross curricular topic and integrated sessions.

This half term we will be learning all about...

animals!

'It seems to me that the natural world is the greatest source of excitement; the greatest source of visual beauty; the greatest source of intellectual interest. It is the greatest source of so much in life that makes life worth living.'
David Attenborough

Through our play we will be exploring some of our favourite and not-so-favourite animals!

Creatures with legs!

Creatures that swim!

Creatures that fly!

Creatures that slither!

We have planned our learning journey together, sharing our ideas about the exciting things that we would like to learn more about.

We will be learning through the seven areas of our curriculum.
